MINIMUM WAGE · NOW AND FROM APRIL 2027

The minimum wage is £12.71 an hour. From April 2027, £13.21.

If you are 21 or over, the National Minimum Wage is £12.71 an hour. Next year's figure is already set.

BY AGE

£10.85

At 18 to 20 the minimum is £10.85 an hour. Under 18 and for apprentices, £8.00. From April 2027: **£11.27** and **£8.31**.

> An apprentice aged 19 or over past the first year gets the rate for their age. In agriculture, Scotland, Wales and Northern Ireland set their own rates, which can be higher.

WHO DOES NOT GET IT

If you work for yourself, running your own business, the minimum wage does not apply — you set your own price. Volunteers are not covered either.

> Company directors are not covered — unless they also have an employment contract with the company, and then they are. Nor are family members living in the employer's home.
