Does April 2027 pull you in?

MTD for Income Tax arrives in stages. The threshold falls each year, and the year it is measured against is always behind you.

ALREADY MANDATORY

£50,000

Qualifying income over £50,000 on the **2024/25** return puts you in from 6 April 2026, unless an exemption applies.

FROM 6 APRIL 2027

£30,000

Tested against the **2025/26** return — the one due 31 January 2027.

> From 6 April 2028 the threshold drops to £20,000, tested on the 2026/27 return.

WHAT COUNTS

Gross

Sole trade plus property, **before** expenses.
Not salary, not dividends.
